TECH CEO AND AI EXPERT PAUL MATTHEWS RELEASES *A TIME TO LEAD: A FAITHFUL APPROACH TO ARTIFICIAL INTELLIGENCE IN CHRISTIAN EDUCATION*

GRAND RAPIDS, MI, USA, SEPTEMBER 18, 2024 - Paul Matthews, Christian educator and tech CEO announces the release of his new book, *A Time to Lead: A Faithful Approach to Artificial Intelligence in Christian Education*. The book provides critical guidance for Christian educators navigating new problems and possibilities presented by Artificial Intelligence (AI).

Blending theological and technical expertise, Matthews offers a comprehensive framework for AI integration in Christian schools, suitable for administrators designing policies or educators incorporating AI tools into the classroom. Insightful and easy to read, this volume brings clarity to the conversation about education and AI.

A Time to Lead: A Faithful Approach to AI in Christian Education is available for purchase through [Christian Schools International](http://ChristianSchoolsInternational.com) or via [Amazon](https://www.amazon.com). For more information, visit CSI's [curriculum website](http://www.csionline.org/curriculum).

ABOUT PAUL MATTHEWS:

As a Christian educator and technology enthusiast, Paul Matthews is constantly exploring ways to leverage AI to enhance the learning process. In addition to teaching history at Calvin Christian School in Tasmania, Matthews is the CEO and co-founder of MyTeacherAide.com, and host of the Christian Educator podcast.
